ALEXANDRIA MOULDING LAUNCHES NEW ON-LINE STAIR PARTS CONFIGURATOR

ALEXANDRIA, ON, May 1<sup>st</sup>, 2011 / Alexandria Moulding / — The staircase in your home is more than a simple way to get from one floor to another. It is one of the most dramatic focal points in your home. Whether you are considering replacing, repairing or reviving your staircase, you begin with the design. Alexandria Moulding's new Stair Parts Configurator will walk you easily through each step of designing your staircase.

Create the staircase that suits your interior décor at [www.alexandriamoulding.com](http://www.alexandriamoulding.com). You can customize your staircase or choose from one of our predefined collections. When your design is completed, you can simply print or save your stair design, the materials list and installation instructions. You may create as many designs as you choose. Take your materials list(s) to your local home improvement retailer for a quotation.

"We are confident this cutting-edge configurator will be an invaluable tool for consumers and designers and will dramatically shorten the purchasing process," said Marianne Thompson, Director of Corporate Development, Alexandria Moulding.

Alexandria Moulding's stair components are designed for do-it-yourselfers and contractors. Components are made to precise specifications and are ready to install. Whether it is a wood species or wrought iron stair design, installation is safe and simple.

"This new configurator stems from Alexandria Mouldings commitment to excellence in innovation and continuous improvement that has been infused into our dedicated, service oriented, quality conscious employees working to provide our customers with not only mouldings as a product, but interior design solutions as well," said Andre Cholette, President, Alexandria Moulding.
