F.A.Q. – FREQUENTLY ASKED QUESTIONS

Is the paint on DecoSmart™ mouldings resistant?

Yes, DecoSmart™ mouldings are coated with a 100% acrylic paint that is heat cured using an industrial process to provide a durable, stain resistant and easy to clean finish.

What type of paint finish is on DecoSmart™ mouldings?

The paint has a satin finish, designed to withstand yellowing when exposed to sunlight and to stand up to wear and tear.

Can I repaint DecoSmart™ mouldings?

Yes, DecoSmart™ mouldings can be repainted to the colour of your choice.

Is Premium Trim Paint durable?

Premium Trim Paint is especially formulated for mouldings. It is a 100% acrylic, water based, eco-friendly paint that is washable and stain-resistant.

Can we only apply Premium Trim Paint to DecoSmart™ mouldings?

No, Premium Trim Paint is versatile and can be used on any trim from primed to painted mouldings. It has been formulated especially for mouldings, so using it on trim is a smart idea.

Are DecoSmart™ accessories only designed for DecoSmart™ mouldings?

No, DecoSmart™ accessories can be used on mouldings already installed, mouldings that are primed and of course on DecoSmart™ mouldings as well.
